FRESH FROM OUR DIRECTOR DESK,

Dear Valuable Clients,

Warmest Greetings from BOC Indonesia,

We are BOC Indonesia - a Bali-based web development company. We started this company in 2002 and still growing. We can manage our customers from around Indonesia and some from around the world.

We believe that one of your goals with your new website is creating a functional website without leaving aesthetic aspect from the design. We can elaborate such as attract more viewers, increasing economic feedback and more. With 10 years of experienced teams in a website development, we are confident to propose and join onboard with you to achieve your goals on this project.

We provide different packages on this document. Each package will have their own details and budget. You can choose one of our package that suits you or you can call us if you require custom requirements for your website. We are happy to come and discuss it with you.

On the last page, we provide our contact. If you have any question about our web development packages, please do not hesitate to contact us.

Best Regards,

Hendra W. Saputro
Managing Director BOC Indonesia

Payment Plan

We understand that starting new website that can compete with existing competitors requires high budget. For that reason, BOC Indonesia will arrange the payment of your website development project in range three to six months installments. We will, then, accept monthly payment, in consecutive, monthly installment based on agreement, commencing from contract signed and continuing on the 30 days of successive month until paid off.

This installment plan arranged with the rules of the following services :

1. First installment (50%) should be paid on contract signing.
2. BOC Indonesia should receive the completion payment in 7 working days since printed date on the invoice.
3. If installment payments are not paid as scheduled, project will be postponed until payment receive.
4. This payment method are not applied for annual fee and add-on services.
5. Monthly installment may be changed based on agreement.
